Logo designs will be submitted for review via e-mail unless otherwise negotiated. The deposit will include an initial logo design and one revision. Additional logo revisions and logo options will incur additional costs at an hourly rate of \$100.

PAYMENT:

The client agrees to pay the total fee payable in one payment. A non-refundable downpayment is required before any work begins. The client understands that the final logo design belongs to Limelite Graphics until paid in full. In the event of termination of this agreement, Limelite Graphics owns the logo and has right to complete, exhibit, and/or sell the logo design (not including business name). Furthermore, Limelite Graphics holds all ownership of any design concepts created before the final logo design. Once paid in full, the client has the right to use the logo design in all media for business promotion. Limelite Graphics will still reserve the right to display the logo for business promotional use.
